A & R Textbooks

(1703 Pico Blvd, 310-314-4361)

Why You Need MySocLab:

- **Google Maps** allow you to see and analyze a wealth of data.
- **Self-Assessment:** You can regularly assess whether you understand the material and concepts in your textbook.
- **Customized Study Plan:** Generated by self-assessments, MySocLab produces customized study plans for you and addresses different learning styles while helping you to study independently. It identifies areas of weakness and strength to focus your attention and efforts where they are needed the most.
